

Comprehensive Zoning Bylaw

Office Consolidation
City of Brantford

Zoning Bylaw 160-90

Parent Zoning By-laws of Brantford

The City of Brantford currently has two zoning by-laws in effect. Most of the developed area of the city is covered by Zoning By-law 160-90. The lands transferred to the City on January 1, 2017 are covered by County of Brant Zoning By-law 61-16, which was adopted by the City at that time and has been updated and maintained separately from the original County version. Both bylaws are available online at www.brantford.ca

NOTE TO USERS

The following document is an office consolidation of Bylaw No. 160-90, as originally enacted by City Council on October 9, 1990, and its subsequent amendments. It includes all modifications to the text and maps. The bylaws which amend the text are noted in the left hand margin. The title blocks of the maps identify the amending bylaws that affect these schedules.

This consolidation has been prepared for convenience purposes only. For interpretation or accurate reference, please refer to the original Bylaw No. 160-90 and specific amendments thereto.

.3	Bylaw No. 4600
.4	Bylaw No. 4897

- 1.4 This Bylaw shall become effective from and after the date of passing thereof.

SECTION 2.0: DEFINITIONS

In this Bylaw:

- 2.1 A**
- 2.1.1.1** Amended by Bylaw No. 68-2011 **Abattoir:** shall mean a lot and a building or structure, or portion thereof whose primary activity consists of the butchering of animals.
- 2.1.1.2** Amended by Bylaw No. 68-2011 **Accessory Building:** shall mean any building the use of which is normally incidental to, and subordinate to, the use of the main building or to the principal use of the lot on which such building is located; and such accessory building shall be separate from the main building on the lot on which both are located.
- 2.1.2** **Accessory Structure:** shall mean any structure the use of which is normally incidental to, and subordinate to, the use of the main building or to the principal use of the main building or to the principal use of the lot on which such building is located; and such accessory structure shall be separate from the main building on the lot on which both are located.
- 2.1.3** **Accessory Use:** shall mean a use of a building, structure, or lot which is normally incidental to, and subordinate to the principal use of the building, structure, or lot.
- 2.1.4** **Act (as a noun):** shall mean an Act of the Ontario provincial government, as amended or replaced from time to time, and any regulations thereunder.
- 2.1.4.1** Amended by Bylaw No. 120-94 60-2017 **Adult Live Entertainment Parlour:** shall mean a lot and a building or structure, or portion thereof used for entertainment including activities, facilities, performances, exhibitions, viewings or encounters designed to appeal to erotic or sexual appetites or inclinations of which a principal feature or characteristic is the nudity or partial nudity of any person. SECTION 3.0 - APPLICATION, ADMINISTRATION & ENFORCEMENT**3.1. Application**

- 3.1.1. The provisions of this Bylaw shall apply to all of the lands within the limits of the City.
- 3.1.2. No person shall use any land, or erect, alter or use any building, structure or part thereof within the limits of the City except in conformity with the provisions of this Bylaw.
- 3.1.3. No person shall use any building, structure or part thereof, erected, or altered in contravention of this Bylaw so long as such building, structure or part thereof, continues to contravene the provisions of this Bylaw.
- 3.1.4. No lot shall be reduced in area by the conveyance, mortgage or other alienation of a part thereof so that any remaining yard or other open space is less than that required by this Bylaw. If any such reduction occurs, such lot and any building or structure thereon shall not thereafter be used by any person unless and until the said yard or requirements of this Bylaw are complied with.
- 3.1.5. Subsection 3.1.4 shall not apply to a lot reduced in area by the conveyance to or expropriation by the City or any other authority having the powers of expropriation.
- 3.1.6. No person shall change the purpose for which any lot, building or structure is used, or erect, alter, or use any building or structure, or sever any lands from any existing lot, if the effect of such action is to cause the original, adjoining, remaining or new building, structure or lot to be in contravention of this Bylaw.

3.2. Interpretation

- 3.2.1. In interpreting and applying the provisions of this Bylaw, they shall be held to be the minimum requirements for the promotion of public health, safety, comfort, convenience, and general welfare.
- 3.2.2. In this Bylaw:
- .1 The word "shall" is mandatory and not permissive; the word "may" is permissive and not mandatory.
 - .2 Words used in the singular include the plural and words used in the plural include the singular.
 - .3 Words used in the present tense include the future tense and words used in the future tense include the present tense.

3.3. Administration

- 3.3.1. This Bylaw shall be administered by the person or persons appointed from time to time by the Council to administer this Bylaw.

3.4. Inspection

- 3.4.1. All persons appointed by the Council to administer this Bylaw may enter or inspect a property or premise at any reasonable hour for the purpose of carrying out their duties under the provisions of this Bylaw.

3.5. Licences and Permits

- 3.5.1. No application shall be approved and no Municipal permit, certificate, or licence shall be issued for a proposed use of land or a proposed use of a building or structure if the proposed use of land, building, or structure would be in violation of any provision of this Bylaw.
- 3.5.2. No application shall be approved and no Municipal permit or licence shall be issued for the proposed erection, enlargement, or alteration of any land, building or structure if the proposed erection, enlargement, or alteration would be in violation of any provision of this Bylaw.

3.6. Violations and Penalties

- 3.6.1. Except as otherwise provided in this Bylaw, no person shall use, nor shall any owner permit anyone to use, any land, buildings, or structures for any purpose unless such purpose is in conformity with the provisions of this Bylaw, and no person shall erect, alter, or enlarge any land, building or structure for any purpose unless it is in conformity with the provisions of this Bylaw.
- 3.6.2. Every person who contravenes any section of this Bylaw is guilty of an offence and, on conviction, is liable to the penalties provided in the Planning Act.
- 3.6.3. Every corporation which contravenes any section of this Bylaw is guilty of an offence and, on conviction, is liable to the penalties provided in the Planning Act.
- 3.6.4. Where this Bylaw requires that any matter or thing be done, the City may, in default of its being done by the person directed or required to do it, enter upon the lands and premises affected and do the work required to be done, at the expense of the said person.
- 3.6.5. Prior to entering on to any property or doing any work as set out in Section 3.6.4, the City shall give ten (10) days notice of its intention to do such work, matter, or thing, to the person required to do such work, matter, or thing.
- 3.6.6. All expenses incurred by the City in doing such work, matter, or thing set out in Section 3.6.4, including, but not limiting the generality of the foregoing, material, labour, equipment, and administration and legal expenses, shall be paid by the person directed or required to do such work, matter, or thing, and shall be charged against the property affected and recoverable in a like manner as municipal taxes or by action in a competent court.
- 3.6.7. All expenses shall bear interest from the date incurred at the rate charged on overdue municipal taxes from time to time, until paid.

3.7. Validity

- 3.7.1. Should any section, clause, or provision of this Bylaw be held, by a court of competent jurisdiction, to be invalid, the validity of the remainder of the Bylaw shall not be affected.

- 3.7.2. Any section, clause, or provision held to be invalid, shall be deemed to be severable and all other sections, clauses, and provisions are separate and independent therefrom and enacted as such.

4.0 - ZONES

4.1 Zone Classification

4.1.1 The provisions of this Bylaw shall apply to all lands within the corporate limits of the City of Brantford, which lands are for the purpose of this Bylaw, divided into various Zones as follows:

Amended by
Bylaws No.

- 4.1.2 The extent and boundaries of all the said Zones are shown on Schedules A and B, which Schedules form part of this Bylaw and are attached hereto.
- 4.1.3 The permitted uses, the minimum size and dimensions of lots, the minimum size of yards, the maximum lot coverage, the minimum landscaped open space, the maximum height of buildings, and all other Zone provisions are set out herein for the respective Zones.
- 4.1.4 The symbols listed in Section 4.1.1 may be used to refer to buildings and structures, and the uses of lots, buildings, and structures permitted by this Bylaw in the said Zones. Whenever in this Bylaw the word "Zone" is used, preceded by any of the Zone symbols, such Zones shall mean any area within the City of Brantford within the scope of this Bylaw, delineated on Schedules A and B and designated thereon by the Zone symbol.
- 4.1.5 Where the Zone symbol designating certain lands as shown on Schedules A and B is followed by a dash and a number, the special provisions will be found by reference to the Exceptions section of the Bylaw which deals with that particular Zone.
- For example: R1-2.
- 4.1.6 Where the Zone symbol is followed by information in parenthesis, these refer to site-specific regulations which establish the maximum total number of units and/or the maximum building height in storeys.
- For example: (51U/10H) indicates maximums of 51 units and 10 storey building height.
- 4.1.7 Where the Zone symbol is preceded by the letter "H", the lands shall not be developed for the uses permitted in that Zone until a Bylaw has been adopted by Council to remove the "H". Prior to removal of the "H", the following uses shall be permitted:
- .1 Uses existing at the date of adoption of this Bylaw.
 - .2 A public service.
- 4.1.8 Where a Zone symbol is preceded by the letter "F", the lands shall not be developed, redeveloped or converted for uses permitted in the Zone except in accordance with Section 6.28 of this Bylaw.
- 4.1.9 Where a Zone symbol is preceded by the letter "T", the lands may be developed for a prescribed use on a temporary basis in accordance with Section 6.29 of this Bylaw.

SECTION 5.0 - SCHEDULES AND INTERPRETATION

	Schedule L - Areas with an "F" Prefix Requiring Permits from the Grand River Conservation Authority (East of Erie Avenue)
	Schedule M - Growth Management Plan – Mixed Use Areas

5.2. Interpretation

- 5.2.1. Where a Zone boundary is indicated as being within a street, lane, railway right-of-way, electrical transmission right-of-way, dyke or watercourse, the boundary shall be the centreline of such street, lane, right-of-way, dyke or watercourse, unless dimensions shown on the attached Schedules provide greater accuracy.
- 5.2.2. Where a Zone boundary is indicated as approximately following lot lines, the boundary shall follow such lot lines.
- 5.2.3. Zone boundaries shall be measured in accordance with the scale indicated on the attached Schedules, unless dimensions shown on the attached Schedules provide greater accuracy.
- 5.2.4. Where a Zone boundary is indicated as passing through undeveloped land, the said Zone boundary shall be scaled from the attached Schedules, unless dimensions shown on the attached Schedules provide greater accuracy.
- 5.2.5. Where a street, lane, railway right-of-way, electrical transmission line right-of-way, dyke or watercourse is included on the attached Schedules, they shall unless otherwise indicated be included in the Zone of the adjoining property on either side thereof.
- 5.2.6. Where a Zone boundary is indicated as following the corporate limits of the municipality, the corporate limits shall be the boundary.
- 5.2.7. Where a Zone boundary is indicated as following a shore line, the boundary shall

follow such shore line and, in the event of a change in the shore line, the boundary shall be construed as moving with the actual shore line.

 - .1 That the porch, verandah or deck complies with the required front, side and rear yards of the applicable Residential Zone; and
 - .2 The dwelling, including the enclosed porch, verandah or deck, does not exceed the maximum lot coverage of the applicable Residential Zone.

6.5. Non-Conforming Uses

6.5.1. Nothing in this Bylaw shall prevent:

Amended by
Bylaw No.
100-98

- .1 The use of any lot, building, or structure for any purpose prohibited by this Bylaw if such lot, building, or structure was lawfully used for such purpose on the day of passing of this Bylaw, and provided that it continues to be

used for that purpose;

- .2 The erection or use for a purpose prohibited by this Bylaw of a building or structure for which a permit has been issued by the Chief Building Official, prior to the day of passing of this Bylaw, pursuant to the Building Code Act, so long as the building or structure when erected is used and continues to be used for the purpose identified on the building permit, and provided the permit has not been revoked pursuant to the Building Code Act; or
- .3 The repair, replacement or strengthening to a safe condition, of any building or structure or part thereof which is used for a non-conforming use, provided such repair, replacement or strengthening does not increase the height, size, floor area, or use of such building or structure beyond the original foundation walls of the building or structure.

6.6. Non-Compliant Use

6.6.1. Nothing in this Bylaw shall prevent the extension, enlargement, repair, strengthening, or replacement of a use, building, or structure which is non-compliant provided that:

- .1 The use or uses are permitted by this Bylaw.
- .2 The extension, enlargement, repair, strengthening, or replacement does not further deviate from the required regulations established by this Bylaw.
- .3 Buffering is provided in accordance with the provisions of this Bylaw.

6.7. Non-Compliant Lots

6.7.1 Lots Reduced by Expropriation

Amended by
Bylaw No.
34-93

Where a lot has a lesser lot area and/or lot frontage than herein required as a result of an acquisition of part of said lot by any public agency having the power of expropriation and would have otherwise complied to said lot area and/or lot frontage requirements prior to said acquisition, such lot may be used and a building or structure may be erected or used thereon in accordance with all other provisions of this Bylaw.

6.7.2 Existing Vacant Lots

Amended by
Bylaw No.
34-93

Where a lot has a lesser lot area and/or frontage as required herein, and

- .1 was legally created and held in distinct and separate ownership from abutting lots prior to the passing of this Bylaw; and
- .2 was vacant at the time of passing of this Bylaw and has continued to be vacant;

such lot may be used and a building or structure may be erected or used thereon in accordance with all other provisions of this Bylaw.

6.8. Day Nursery

6.10.

Buffering

6.10.1.
Amended by
Bylaw No.
34-93

Notwithstanding any other provisions of this Bylaw, where a lot in an Institutional, Commercial, or Industrial Zone abuts a lot in a Residential Zone, an Open Space Zone, or a residential use in an Institutional Zone, a buffer consisting of either 15.0m of landscaped open space or a buffer approved pursuant to the Site Plan Control provisions of the Planning Act shall be provided and maintained on the institutional, commercial, or industrial lot to screen all parking spaces, parking areas, loading spaces, and open storage areas thereon.

6.10.2.

Notwithstanding any other provision of this Bylaw, where a lot in a non-residential Zone abuts a lot in a Residential Zone, no building or structure and no open storage exceeding 1.5 m in height shall be permitted within 6 m of a lot in a Residential Zone.

6.10.3.

Amended by
Bylaws No.
115-92, 34-93

Notwithstanding any other provisions of this Bylaw, where an elementary, secondary or private school abuts a Residential Zone, a building or structure shall be permitted to have a minimum interior side and/or rear yard of 7.5 metres, provided a buffer approved pursuant to the Site Plan Control provisions of the Planning Act, is provided and maintained on the institutional lot to screen the building or structure.

6.12. Open Storage

6.12.1. Open Storage - Commercial Zone

Amended by
Bylaw No.
100-98, 81-2003

.1 Unless otherwise permitted herein, open storage shall be prohibited in a Commercial Zone.

.2 Where permitted, open storage shall comply with the following:

.1 Open storage shall not be permitted in a yard abutting a street.

.2 Notwithstanding Section 6.12.1.2.1, if the lot on which the open

storage is located abuts two or more streets, then the open storage may be permitted in one such yard provided such open storage complies with Section 6.12.1.2.3, but in no case shall open storage be permitted in a yard abutting a freeway or the corridor area shown on Schedule "J".

- .3 An open storage area shall be located or buffered so that it is not visible from a street or an abutting lot in other than a Commercial Zone.
- .4 An open storage area shall not extend over more than 30% of the lot area and such area shall not include required parking spaces, parking areas, and landscaped open space.
- .5 The height of stored materials shall not exceed 4.5 m.
- .3 Notwithstanding Sections 6.12.1.1 and 6.12.1.2 inclusive, the open storage of new and used vehicles shall be permitted in any yard as an accessory use to an automobile sales establishment.

6.12.2. Open Storage - M1 (Industrial Commercial) and M3 (Business Park Industrial) Zones

- .1 In an M1 (Industrial Commercial) Zone and M3 (Business Park Industrial) Zone, open storage shall not be permitted in a yard abutting a street.
- .2 Industrial uses in M1 (Industrial Commercial) and M3 (Business Park Industrial) Zones shall not be permitted the open storage of garbage and refuse except in accordance with this subsection:
 - .1 An open storage area in M1 (Industrial Commercial) and M3 (Business Park Industrial) Zones shall be located and buffered so that it is not visible from a street or an abutting lot in a non-industrial zone.
 - .2 An open storage area shall not extend over more than 10% of the lot area, and such area shall be exclusive of required parking spaces, parking areas, and landscaped open spaces.
- .3 Notwithstanding Sections 6.12.2.1. to 6.12.2.2. inclusive, the open storage of new and used vehicles shall be permitted in any yard as an accessory use to an automobile sales establishment.
- .4 The height of stored materials shall not exceed 1.8 m.

Amended by
Bylaw No.
89-96, 100-98

- .1 In an M2 (General Industrial) Zone, open storage shall not be permitted in a yard abutting a street.
- .2 Notwithstanding Section 6.12.3.1, if the lot on which the open storage is located abuts two or more streets, then the open storage may be permitted in one such yard provided such open storage complies with Section 6.12.3.3, but in no case shall open storage be permitted in a yard abutting a freeway or the corridor area shown on Schedule "J".

- .3 Industrial uses in an M2 (General Industrial) Zone shall not be permitted the open storage of garbage and refuse except in accordance with this subsection:
 - .1 An open storage area in an M2 (General Industrial) Zone shall be located and buffered so that it is not visible from a street, Highway 403 or an abutting lot in a non-industrial Zone.
 - .2 An open storage area shall not extend over more than 30% of the lot area, and such area shall be exclusive of required parking spaces, parking areas, and landscaped open spaces.
- .4 The height of stored materials shall not exceed 4.5 m.

6.12.4 Open Storage - M4 (Industrial Extraction) Zone

- .1 Open storage areas shall be prohibited within:
 - .1 90.0 m of a lot line in a Residential Zone; or
 - .2 30.0 m of all other lot lines or zone boundaries.

6.13. Flood Lighting

- 6.13.1. Where flood lighting facilities are provided in conjunction with any use in this Bylaw, said lighting shall be directed away from any adjacent habitable living space or street.

6.14. Height Exceptions

- 6.14.1. A stair tower, elevator shaft, water tank, skylight, mechanical penthouse, or other heating, cooling, or ventilating equipment, window washing equipment, or a fence, wall, or structure enclosing such elements shall be permitted, which exceeds the height regulations of the Zone, provided that:
 - .1 the maximum height of such elements is 5.0 m;
 - .2 the aggregate horizontal area of such elements, including the fence or other enclosure, does not exceed 30% of the area of the roof;
 - .3 the width of such elements, including the fence or other enclosure, does not exceed 30% of the width of the wall of the main building facing any street line.
- 6.14.2. An aerial, antenna (excluding a satellite dish), chimney, silo, fire hose tower, steeple, cupola, or other ornamental structure which does not provide habitable living space shall be permitted which exceeds the height regulations of the Zone.

6.15. Group Home, Mini-Group Home, Group Residence, Crisis Residence, Group Correctional Home, and Group Correctional Residence

- 6.15.1. All group homes, mini-group homes, group residences, crisis residences, group correctional homes, and group correctional residences shall be registered in accordance with Bylaw No. 12-88 of the City of Brantford as amended from time to time, passed pursuant to the Municipal Act.
- 6.15.2 Amended by Bylaw No. 34-93 The minimum separation distance between lots occupied by mini-group homes, group homes, group residences, crisis residences, group correctional homes or group correctional residences shall be in accordance with Schedule I.

6.15.9 A dwelling or dwelling unit used or constructed for the purposes of a group home, a mini-group home, a group residence, a crisis residence, a group correctional home, or a group correctional residence shall be designed, constructed or altered in a manner which would maintain the residential character of the dwelling and be compatible with the character of the neighbourhood in which it is located.

6.15.10 Notwithstanding any provision of this Bylaw to the contrary, no mini-group home, group home, group residence, crisis residence, group correctional home or group correctional residence shall be permitted in the following areas:

Amended by
Bylaw No.
25-91

.1 An area bounded by Terrace Hill Street, St. Paul Avenue, and Ridgewood Drive, as projected to intersect with St. Paul Avenue and Terrace Hill Street, excepting those lands municipally-known as 20 Lyons Avenue.

6.16. Bed and Breakfast Establishment

Amended by
Bylaw No.
25-91

In addition to any applicable regulation for the principal use in which a bed and breakfast establishment is located, said bed and breakfast establishments shall be subject to the following regulations:

6.16.1 A bed and breakfast establishment shall be conducted entirely within a dwelling unit by the occupant of the said dwelling unit, who may employ or be assisted by no more than one other person.

6.16.2 A bed and breakfast establishment shall be clearly secondary to the use of the dwelling unit as a private residence.

6.16.3 A bed and breakfast establishment shall not create or become a nuisance.

6.16.4 There shall be a maximum of three (3) guest bedrooms in any such establishment, and such guest bedrooms shall not occupy more than 25% of the gross floor area of the dwelling unit.

6.16.5 It shall not be apparent from the exterior of the premises that such use is conducted therein, other than by means of a sign as regulated by the City Sign Bylaw.

Amended by
Bylaw No.
146-92

6.16.6 In addition to any off-street parking required for the dwelling unit containing the bed and breakfast establishment, there shall be a minimum of one (1) parking space provided on the lot for each guest bedroom, and said parking spaces shall not be located in the minimum front yard. Notwithstanding the provisions of Section 6.18.4, the required parking spaces need not be located in a parking area and may include tandem parking spaces or parking in an existing driveway.

Amended by
Bylaw No.
25-91

6.16.7 No goods, wares or merchandise shall be offered or exposed for sale on the premises, but this shall not be construed to preclude the serving of meals to guests.

6.17 Home Occupation

Amended by
Bylaw No.
63-2012

A home occupation shall be permitted in all Residential Zones, subject to the following regulations:

- 6.17.1 A home occupation including any storage that is required for the home occupation shall be conducted entirely within a structure by the occupant of the principal residence located on the residential lot, who may employ or be assisted by no more than one other person.
- 6.17.2 A home occupation shall clearly be secondary to the residential use of the dwelling unit.
- 6.17.3 A home occupation including any required storage shall be confined to one area and is not to exceed more than 28.0 m² (301.4 ft²).
- 6.17.4 In no case shall any outdoor use or outdoor storage be permitted that is incidental to or directly related to the home occupation.
- 6.17.5 Amended by
Bylaw No.
146-92
No manufacturing, assembly or repair process shall be carried on except for small appliances, electronics and the fabrication of handmade articles of clothing, arts or crafts. A home occupation shall not include a retail store, neighbourhood convenience store, a restaurant, a body rub parlour, an autobody repair shop or an automobile service station.
- 6.17.6 No goods, wares, or merchandise shall be offered or displayed for sale or rent on the premises that are not incidental to the home occupation.
- 6.17.7 Amended by
Bylaw No.
60-2017
It shall not be apparent from the appearance of the building that a home occupation use is conducted therein, other than by means of one exterior sign as regulated by the City Sign By-law (Municipal Code – Chapter 478). The maximum allowable size for a sign advertising a home occupation is 30.48 cm by 60.96. The sign cannot be illuminated in any way. The sign cannot be placed within the interior of a building so as to be viewed from the exterior through a window or door or the exterior of a building so as to cover a window or door.
- 6.17.8 One parking space additional to the parking space or spaces required for the residential use shall be provided on-site and may include a tandem parking space, or a parking space located in an existing driveway.
- 6.17.9 No commercial vehicles shall be permitted to be parked or stored at the address of a home occupation.
- 6.17.10 No delivery of materials to the dwelling unit shall be permitted from a vehicle which has a registered gross weight exceeding 5000 kilograms (11,023 pounds).
- 6.17.11 In no case shall any excess noise, dust, fumes, odors, traffic or parking from the home occupation interfere with the enjoyment of the residential properties in the neighbourhood.
- 6.17.12 No additional outdoor mechanical equipment, other than that normally associated with a residential use, shall be used, the operation of which would result in any undue noise, fumes, dust or odor escaping to any adjacent or neighbouring lot.
- 6.17.13 The home occupation shall not involve the use of the premises as a base of operations for persons who are employed by or associated with the home

occupation, nor shall the premises be used to assemble or rally such persons for transportation to a work site.

6.17.14 No lodging shall be provided in the dwelling in connection with a home occupation.

6.18. Parking Regulations

6.18.1. Parking Space Dimensions

Amended by
Bylaws No.
144-98, 60-2017,
104-2019

- .1 Required parking spaces shall have minimum width and length as follows, and as illustrated on Schedule D:
 - .1 2.75 m wide x 6.7 m long for a parallel parking space
 - .2 2.75 m wide x 11.0 m long for a tandem parking space
 - .3 3.4 m wide x 5.6 m long for an individual accessible parking space (Type A), and a 1.5 m wide access aisle is provided.
 - .4 2.75 m wide x 5.6 m long for an individual mobility accessible parking space (Type B) and a 1.5 m access aisle is provided.
 - .5 Where two accessible parking spaces are adjacent (Type A and/or Type B), a common 1.5 m wide x 5.6 m long access aisle shall be provided for both spaces.
 - .6 2.75 m wide x 5.6 m long for all other parking spaces.
- .2 Pillars and other ceiling support elements may project a maximum of 0.15 m into a required parking space.

6.18.2. Parking Deficiencies

- .1 Where a use existing at the date of adoption of this Bylaw provides fewer than the minimum number of parking spaces required herein, the existing number of parking spaces shall be deemed to be the minimum number of parking spaces required for the said use.
- .2 A use identified in Section 6.18.2.1 may be enlarged or changed to another permitted use in accordance with the following:
 - .1 The minimum number of parking spaces existing at the date of adoption of this Bylaw shall continue to be provided.
 - .2 Additional parking spaces for the enlarged or changed use shall be established as follows:
 - .1 The total minimum number of parking spaces for the enlarged or changed use as required by Table 6.1 of this Bylaw, minus the total minimum number of parking spaces the previous use would have required pursuant to Table 6.1, notwithstanding Section 6.18.2.1.
- .3 Where a changed use requires less than the number of existing parking

spaces, then the minimum number of parking spaces required shall be in accordance with Table 6.1, notwithstanding the provisions of Section 6.18.2.2.1.

6.18.3. Location

Amended by
Bylaw No.
25-91, 15-92,
118-2000, 68-2011,
133-2015, 104-2019,
60-2017, 157-2020,
166-2021, 207-2021

The location of a parking space shall be subject to the following regulations:

- .1 The required parking space shall be located on the same lot as the use, building, or structure for which it is required.
- .2 Notwithstanding the provisions of Section 6.18.3.1. within any C1, C2 or M2 Zone, required parking spaces may be provided on an abutting lot, or on another lot, within the C1, C2 or M2 Zone, that is located within a maximum of 150.0 m. of the nearest lot line of the subject property on the condition that an agreement providing for the continuation of the required parking spaces is entered into with the City and is registered against both parcels of land.
- .3 The required parking space shall not be located in a minimum front yard in a RE, R1A, R1B, R1C, R1D, R2, R3 or RC Zone, except for single detached, semi-detached, duplex, townhouse, short term rental accommodations, accessory dwelling units and converted dwellings where the required parking space cannot be provided behind the front wall of the main building to a maximum of one parking space per property.
- .4 The required parking space shall be located a minimum of 1.0 m from any other lot line abutting a street in a RE, R1A, R1B, R1C, R1D, R2, R3 or RC Zone.
- .5 The required parking space shall be located in an R4A, R4B, or RHD Zone a minimum of 6.0 m from any lot line abutting a street, and a minimum of 1.0 m from any other lot line. This provision shall not apply to an attached garage with a shared partition wall or an underground parking structure.
- .6 All parking spaces shall have access to a street by means of a driveway.
- .7 Within all Zones, the parking of motor vehicles is restricted to driveways and/or parking spaces.
- .8 A driveway shall have a minimum width of 2.4 metres on lots in all Residential Zones.
- .9 Within all Residential Zones, a minimum of 50% of the front yard shall be maintained as landscaped open space.
- .10 Where a minimum of two parking spaces are required, tandem parking spaces shall be prohibited, with the exception of bed and breakfast establishments, short term rental accommodations, home occupations, accessory dwelling units and converted dwelling units where tandem parking spaces shall be permitted.

6.18.4. Access to Parking

Where three or more parking spaces are required herein, such spaces shall be located in a parking area, and access thereto shall be provided in accordance with the following regulations:

- .1 All parking areas shall have access to a street by means of a driveway.
- .2 Parking areas shall provide access to each parking space by means of a traffic aisle with a minimum width as follows and as illustrated on Schedule D:
 - .1 A two-way traffic aisle with a minimum width of 6.0 m where the parking space angle is 90 degrees.
 - .2 A one-way traffic aisle with a minimum width of 5.8 m where the parking space angle is between 75 and 89 degrees.
 - .3 A one-way traffic aisle with a minimum width of 4.9 m where the parking space angle is between 60 and 74 degrees.
 - .4 A one-way traffic aisle with a minimum width of 3.7 m where the parking space angle is between 45 and 59 degrees.
 - .5 A one-way traffic aisle with a minimum width of 3.4 m where the parking space angle is less than 45 degrees.
 - .6 A one-way traffic aisle with a minimum width of 3.0 m or a two-way traffic aisle with a minimum width of 6.0 m, for a parallel parking space.
- .3 No parking shall be permitted in traffic aisles or driveways.
- .4 Parking areas shall provide access to each accessible parking space by means of a traffic aisle free of obstruction with a minimum overhead clearance of 3.35 metres.

6.18.5. Parking Structure

Where required parking spaces are provided in a parking structure, the parking structure shall be subject to the following regulations:

- .1 The parking structure shall be located on the same lot as the use, building or structure for which it is required except within any C1, C2 or M2 Zone, where said required structure may be located on an adjacent lot or on another lot within the C1, C2 or M2 Zone that is within 150.0 m. of the nearest lot line of the subject property; on the condition that an agreement providing for the continuation of the required parking spaces within said parking structure is entered into with the City and is registered against both parcels of land.
- .2 That portion of a parking structure at or above the finished grade level shall conform to all the provisions for the main buildings or structures herein, and that portion of a parking structure located below the finished grade level shall be located no closer than 0.3 m to any lot line.

6.18.6. Surfacing

Amended by
Bylaws No.
139-2006, 87-2007

All parking spaces and driveways in Industrial, Commercial, Institutional, Medium Density Residential, High Density Residential Zones, and any properties subject to Site Plan Control shall be provided with a solid stable hard surface treatment to prevent the raising of dust, mud, stones or loose particles and consisting of commercially acceptable and available products, including hot mix laid asphalt, asphalt surface treatments, concrete and precast concrete paving stones, or a surface treatment approved pursuant to the Site Plan Control provisions of the Planning Act.

6.18.7. Parking Standards

- .1 Except as otherwise provided herein, the minimum number of parking spaces to be provided and maintained shall be determined in accordance with Table 6.1.
- .2 Within the Parking Exemption Area 1 defined on Schedule C, the minimum number of parking spaces to be provided and maintained shall be fifty percent (50%) of the required parking spaces determined in accordance with Table 6.1.
- .3 Within the Parking Exemption Area 2 as defined on Schedule C, the minimum number of parking spaces to be provided and maintained shall be 75% of the required parking spaces determined in accordance with Table 6.1.
- .4 Within the Parking Exemption Area 3 as defined on Schedule C, uses shall be exempt from the parking requirements of Table 6.1
- .5 Where seating is provided in the form of benches or pews, one seat shall comprise 0.55 m in length of any bench or pew.
- .6 Where more than one use specified in Table 6.1 is provided on the same lot or in the same building or structure as any other use specified therein, the parking shall be required in respect of each such use; provided, however, that:
 - .1 Only the parking prescribed for an industrial mall need be provided for all uses located therein.
 - .2 Only the parking prescribed for a shopping centre need be provided for all uses located therein.
- .7 Four percent of the required parking spaces shall be provided as accessible parking spaces in all Zones other than a RE, R1A, R1B, R1C, R1D, R2, R3 or RC Zone and for street townhouse dwellings in the R4A Zone. The required accessible parking spaces shall be provided as accessible spaces identified in Section 6.18.1.1.3 and mobility spaces as identified 6.18.1.1.4.

Where an even number of accessible parking spaces is required, an equal number of (Type A) accessible parking spaces and (Type B) mobility spaces must be provided.

Where an odd number of accessible parking spaces are required, the number of (Type A) accessible parking spaces and (Type B) mobility spaces

Amended by
Bylaws No.
114-98, 60-2017,
104-2019

must be divided equally, but the additional odd numbered space can be a mobility space (Type B).

All accessible parking requirements are to be rounded up to the nearest whole number.

Where the required parking spaces exceed 200 spaces on a lot, the accessible parking requirement may be reduced to two percent of the required parking spaces plus two additional accessible parking spaces.

.8 Off-Street Parking Requirements

6.23

Loading Spaces

6.23.1.

Amended by
Bylaw No.
44-97

Dimensions:

- .1 A required loading space shall have minimum dimensions, exclusive of any land used for access, driveways or manoeuvring, as follows:
- .1 Loading space – type A: 3.5 m x 9.0 m, with 4.5 m in clear unobstructed height.
 - .2 Loading space – type B: 3.5 m x 20.0 m, with 4.5 m in clear unobstructed height.

6.23.2.

Loading Deficiencies:

- .1 Where a use existing at the date of adoption of this Bylaw provides fewer than the minimum number of loading spaces required herein, the existing number of loading spaces shall be deemed to be the minimum number of loading spaces required for the said use.
- .2 A use identified in Section 6.23.2.1. may be enlarged or changed to another permitted use in accordance with the following:
- .1 The minimum number of loading spaces existing at the date of adoption of this Bylaw shall continue to be provided.
 - .2 Additional loading spaces for the enlarged or changed use shall be established as follows:
 - .1 The total minimum number of loading spaces for the enlarged or changed use as required by Section 6.23.6 of this Bylaw, minus the total minimum number of loading spaces the previous use would have required notwithstanding Section 6.23.2.1.
 - .3 Where a changed use requires less than the number of existing loading spaces, then the minimum number of loading spaces required shall be in accordance with Section 6.23.6.2.

6.23.3.

Location

The location of a loading space required herein shall be subject to the following regulations:

- .1 The loading space shall be located on the same lot as the use, building, or structure for which it is required, and shall not be located on a street.
- .2 No loading space shall be located in any front yard unless the front yard is a

minimum of 20.0 m.

6.23.4. Access to Loading

- .1 All loading spaces shall have adequate access on the same lot to permit ingress, egress, and manoeuvring by means of a driveway, no part of which shall be used for the parking or storage of any motor vehicle.
- .2 The driveway providing access to a loading space shall have a minimum width of 3.5 m for one-way traffic and 7.0 m for two-way traffic.

6.23.5. Surfacing

- .1 All loading spaces and driveways shall be provided with a stable surface treated to prevent the raising of dust or loose particles and consist of asphalt, concrete, or other hard-surfaced material, or combination thereof.

6.23.6. Number of Spaces

Amended by
Bylaw No.
176-2017

- .1 The minimum number of loading spaces to be maintained for an apartment dwelling shall be one loading space for each apartment dwelling containing 25 or more dwelling units.
- .2 Except as otherwise provided herein, the minimum number of loading spaces to be provided and maintained for an industrial or commercial use shall be determined based on the total gross floor area of all uses on the lot for which the loading spaces are required, and in accordance with the following:
- .3 The minimum number of loading spaces to be maintained for dwelling units in a mixed use building shall be one loading space for each mixed use building containing 25 or more dwelling units. The minimum number of loading space to be provided and maintained for all other non-residential uses in a mixed use building shall be provided in accordance with Table 6.2.

SECTION 12.0**DEVELOPMENT CONSTRAINT ZONE****12.1.****Development Constraint Zone (DC)**

12.1.1

Amended by
Bylaw No.
157-2000

Permitted Uses

The following uses are permitted in a DC Zone:

- .1 Municipal or public works undertaken by the City or the Conservation Authority.
- .2 Construction or repair of the Canadian Pacific Railway (T.H. & B. Railway) in order to restore or impose rail service through the Zone, provided that a certificate from a qualified and competent engineer has been submitted which certifies that the soil conditions are sufficiently stable to support the reconstruction and that the reconstruction will not exacerbate the instability of the surrounding slope.

12.1.2

Regulations

Any use, building, or structure in a DC Zone shall be established in accordance with the following:

- .1 All permitted uses
 - .1 No person shall restore or permit the restoration of any existing building or structure which has been damaged or destroyed except where such damage or destruction is of less extent than 50% of the value of such building or structure at the time of said damage or destruction.
 - .2 Notwithstanding Section 12.1.2.1.1, no restoration or reconstruction shall be permitted except where a certificate from a qualified and competent engineer has been submitted which certifies that the soil conditions are sufficiently stable to support the restoration or reconstruction.
 - .3 No placing or dumping of fill shall be permitted in any DC Zone except in conformity with this Section.
